HOMECOMING SPIRIT OF '76

Homecoming night featured the bicentennial theme, Spirit of '76. The homecoming court rode in vintage cars and the dance was decorated with red, white, and blue.

The Senior Mothers hosted a supper before the game. Though the Panthers lost the game, the crowd was supportive and the weather cooperative. Queen Nancy Arbogast and King Peanut Newcomer reigned over the entire evening.

SANTA'S WORKSHOP

Student Council once again planned a successful Christmas dance. Tinsel and glitter decorated the hall, reminding us of the upcoming season and vacation. Santa and Mrs. Claus crowned Chris Brumbaugh as this years Snowball queen. Those who attended were entertained by the Chamber Ensemble and danced to the music of the rock band, Sir Thomas Johnstone.

Snowball Queen Chris Brumbaugh speaks.

Mr. and Mrs. Claus crown the queen.

Did she really do that?

Dear Santa: For Christmas I would like a blonde, blue-eyed.....

Chamber singers add Christmas spirit.

I told her big surprises come in little packages.

Isn't that mistletoe over there?

I think the photographer is following us again. Below: Mr. Steyer smiles the evening away.

No one will know I voted for myself.

MOONLIGHT AND ROSES

This years Junior Class presented a unique prom. The theme was "Moonlight and Roses". It was held at the Fort Findlay Motor Inn.

Music was provided by the Eastwood Stage Band and by The Rogue.

The post prom was held at the Y.M.C.A., where everyone danced, and played games. Everyone had a great time.

KEEP ON TRACKIN'

The 1976 McComb track team ended the season with an 11-5 record. Coaching and guiding the Panthers was Head Coach Gary Rutter.

There were many highlights during the year; many outstanding athletes represented McComb at Districts, Sectionals, and State competitions. Jeff Spitnale, the mile and 880 runner, took several firsts. The mile relay team gave a tremendous performance this year by breaking the school records five times. The team, made up by Jack Payne, Kevin Finn, Dave Rader, and Dennis Quiroga, came in 4th at State with a time of 3.28.5.

Keeping stats for the team were: Kim Basye, Karen Benroth, Lu Ann Harden, Ellen Weaver, Diane Brickman, Janet Bishop, Angie Kaple, Maggee Honesto and Karen Latta.

While undergoing serious cast changes up until the last weeks and finding early morning rehearsals tiring but necessary, the Juniors managed to put on "Up the Down Staircase". The staging was a change from the usual here at McComb. Once the audience adjusted, the show went over quite well.

The chorus started a busy year with a Pops Concert in November. A month later they performed with the Hoytville band in a Christmas Concert. With the beginning of the new year, contest season began. The Chamber Singers and the Girls' Ensemble participated in the District III Solo and Ensemble contest and both received Superior ratings. Shortly after that the choir went to District III large group contest and received an Excellent rating. In April, a recruiting concert at the Hoytville school was a great success. To finish out the year, the chorus had a bicentennial concert and performed for the graduation of the 1976 seniors.

Despite a dwindling staff, a new advisor, a late 1975 book, a lack of a publishing company, and other assorted problems, we have put together a 1976 yearbook. For me, it was a new experience and I have learned many things. Please forgive any mispelled names, the scores we left out, and the people we missed. This was a first and last effort here, it would have improved on my second try.

I owe many thanks to my core of workers, to Woodard Photographic, Hunter Publishing Co., Mrs. Basye, and Mrs. Eamoe for their help. It is difficult to step in and take over something of this magnitude, I hope you find our efforts worthwhile.

Queen Polly Brumbaugh and King Brad Barker.

CARNIVAL ANTICIPATES HALLOWEEN

Once again, the Jackson Halloween festival was a success. The evening started off with the crowning of Queen Polly Brumbaugh and King Brad Barker. Afterwards came the traditional Halloween parade and the Junior High band played a few selections. The costumes were original and very appropriate. Throughout the evening the people enjoyed the games and concessions.

below right: Miss Freeman made these shirts for her class.

below left: Michele Farthing displays her bicentennial cap.

The Bicentennial Observance for grades K-4 began on Thurs., May 13, 1976 with an old-fashioned Field Day. Events included the following: K-Skipping race; Grade 1-softball throw; Grade 2-relay race; Grade 3-wheelbarrow race; Grade 4-piggy back race.

As a special event, teachers participated in a tug-a-war. The "Yowling Yankees" were Victorious over the "Mighty Minuteman".

On Friday, May 14, Bicentennial Program Day was held. Students and teachers wore colonial dress all day.

At noon a bicentennial meal was served in the cafeteria. It consisted of Paul Bunyan Beef Stew, General Custar Cole Slaw, Johnny Appleseed Crisp, Betsy Ross Bread and Butter, 50 Stars Milk.

Displays in the hall culminated the day's activities. These included pictures, quilts, diagrams, a time capsule, old tools and a mural.

As an on-going activity special weekly events were held. Some of these included red, white, and blue day, historical story day, famous American day, and Patriotic poem day.

WHY FINDLAY?

Going away to school has its advantages. But have you considered the advantage of going to a school near your home?

1. The people you've made contact with during your high school years don't lose track of you for four years. They can watch you grow from a high school graduate into a mature, thinking adult — and perhaps provide some of the guidance and experiences that help you along your way.
2. The people you'll meet at college — local teachers, principals, and business people — are all leaders in your community. And if you plan to live in the Hancock County community after graduation, these same people will be in poisition to hire you for your first job.
3. You can live at home and save some of the high costs of education.
4. And if you live at home, you're more likely to keep up with a parttime job helping you make the money you'll need at college and the contacts you will need when you're ready to start your career.

How about it? Is it worth looking into?
